NOTES:

(1) **DUTY ROSTERS.** Shelley Sailing Club is run entirely by volunteers. Members 10 years and over will be placed on the duty rosters to assist the Officer of the Day in the opening, closing, and cleaning of the clubhouse, as well as with race starts/finishes and in the canteen. Families would normally be expected to contribute at least two members to the duty rosters.

(2) **MEMBERSHIP.** Family, Senior, and Junior memberships include \$30 canteen vouchers (non refundable). This amount can be added to at any time but note that no credit will be given by the canteen.

A family membership includes all members of a family residing at the same address. To be eligible for junior membership an individual must have been under 19 years of age or a full-time student under 21 years of age at 30th June 2011.

Junior members must have a parent or guardian as a club member. This may be an associate membership.

New members joining after 1st January 2012 should pay half of the listed membership fee.

(3) **YACHTING AUSTRALIA FEES** are now incorporated into SSC membership fees. All Junior, Senior, Life, and Family members will be entered in the YA database unless they are indicated on the membership form as non-sailors. A non-sailor is someone who sails in less than three races in a calendar year.

(4) **TRAINING COURSES.** Persons enrolling in a training course need not be financial members of Shelley Sailing Club, and will be covered by Yachting Australia insurance whilst attending the course.

(5) **THE RON TOUGH YACHTING FOUNDATION** provides funds to improve the standard of sailing in WA. Over the years the fund has been used to provide rescue and training equipment, coaching and other assistance to many WA clubs and crews, including Shelley Sailing Club. Members are urged to make a donation to this worthy cause. Donations of \$2 or over are now tax deductible.

(6) **DONATIONS TO SSC** may be used in several ways:

We welcome any donations to assist sailing development at Shelley Sailing Club. Shelley Sailing Club has received many donations in the memory of Martin Flux, who was a young and enthusiastic member and Rear Commodore of Shelley Sailing Club until the tragic accident that took his life in 1988. The contribution made by this popular young man and his joy of sailing help to remind us of the particular importance of junior training and development. The donations received in Martin's memory have greatly assisted Shelley Sailing Club in furthering our junior development programs over many years by assisting with the purchase of training boats and equipment.

Members are encouraged to make donations to support our important work with training and development to whatever extent they are able.

TROPHIES: Donations towards trophies are encouraged. If you wish to donate a trophy for a special event please contact the Rear Commodore of Sailing.
