

Learn to Sail

Shelley Sailing Club

school holidays course for children

Monday October 10 until Friday 14 October, 2011
from 8:30am to 12:30 pm daily.

“Get Into Small Boat Sailing” is a fully accredited course for those wishing to learn the basics of sailing dinghies or catamarans. It is designed to teach students how to sail, starting with the essential skills. We then teach more skills and techniques as students progress through the course so that by the end they will be ready to start racing their own boat if they choose.

Shelley Sailing Club is a Yachting Australia accredited training centre for the National Small Boat Sailing Scheme. We are situated on the banks of the Canning River at the end of Shelley Beach. The sheltered conditions make it an ideal place to learn to sail and a great environment to continue with club sailing. We are a small club where families are welcomed and we offer a range of sailing opportunities to give everyone the chance to be involved, have fun, and improve their skills.
