

# How to get a Minnow Sailing Dinghy in WA

**Buy New. 1**      **\$7,000** complete plus transport from South Australia

New craft include:

Foam sandwich hull, Foils and rudder box, Boat cover, New Sail, Fully rigged, Stainless trolley, Mast and Boom.

**Buy New. 2**      **\$4,000** complete plus transport from Victoria

New craft include:

Foam sandwich hull, Foils and rudder box, Hooper Boat cover, Hooper Sail, Fully rigged, Stainless trolley, Mast and Boom.

(Note – Each year Minnows travel interstate to compete at the National Championships. Transport from VIC could **potentially** be arranged in one of the sea containers at a small cost)

**Build Your Own New**      **\$2,500 - \$3,000 approx** in materials and approx 50 to 60hrs to complete. Painting, sail and beach trolley additional.

The perfect winter project ready for the start of a new season. The Minnow Assoc of WA has a set of full-scale plans and a frame for those who are handy with either wood or fibreglass.

**Buy Hull and Deck New**      **\$1,200** approx tbc for the hull and deck. Limited availability. Place orders by end of May.

Boats will still require painting, foils, sail, mast, boom, stays, fittings, ropes, foil bags, trolley etc to be complete which is approx 2/3rds the cost for new gear.

**Buy Second Hand in WA**      **\$2,000 mid-range (\$700 - \$3,500)**

Most second hand boats come with everything tried and tested and in various conditions. See the Minnow Assoc WA website or contact one of the WA Yacht Clubs with Minnows for the latest details on second hand boats available.

**Buy Second Hand from Interstate VIC or NT**      **Prices vary.** Plus cost of transport from Victoria or NT.

See the Minnow Assoc Australia website for details. Teams travel interstate for the Nationals each year.
